

WEDDING MEMORY GAME

Instructions

How excited are you about the Royal Wedding? Let's see how good your memory is!

1. First, color in all these cards. Then have a parent cut them out for you.
2. Place all the cards facing down on a flat surface. At the beginning of each turn, flip one over.
3. Next, try to find its match. If you find it, keep both cards facing up. If not, flip them back over.
